

Parking equipment renewal: supply, installation & maintenance of the new parking equipment for the car parking lots (Short Term 1 &2, Long Term & Economy)

Athens International Airport S.A. (AIA) intends to conduct an international tender related to the provision of "**Parking equipment renewal**".

In that respect, and prior to the launching of the said tender, AIA wishes to communicate the main aspects of the tender to potential market participants having experience in similar projects so to receive their comments, remarks and opinions.

Athens International Airport (hereafter "AIA") wishes to replace the Parking Access Control System at all parking areas with new one that will upgrade the parking product both aesthetically and functionally.

The aim of the project is related to:

- Operational efficiency
- Compliance & Security

The Contractor shall propose a Parking Access Control System comprising of:

- o Barriers (at designated positions)
- o LPR cameras (at designated positions)
- o Ticket dispensers with LCD display (at designated positions)
- o Payment machines for all means of payment (cash, credit/debit cards payments and contactless) (at exits)
- o Pay-on-foot machines for all means of payment (cash, credit/debit cards payments and contactless) (at designated positions)
- o LED traffic indicator(s)
- o Parking Management Platform (Public Cloud SaaS solution or on premises Private cloud solution).

Participants wishing to be involved in the consultation process shall express their interest by submitting a written application by email to AIA.

The written application should carry the indication "**Market consultation process for the parking equipment renewal: supply, installation & maintenance of the new parking equipment for the car parking lots**" and should be addressed to Athens International Airport's Procurement Department at the email address Tsamakisd@aia.gr and copying DimitriouG@aia.gr .

In this application the following table shall be completed including also a confidentiality statement by the applicant's contact person:

DETAILS OF APPLICANT AND CONTACT PERSON	
Company name	
Company Address	
Title (Mr/Ms)	
Contact person's Name	
Contact person's Surname	
Corporate title	
Phone	
Mobile	
Email	
CONFIDENTIALITY STATEMENT	
<i>By making this application we acknowledge and accept that the documents provided are commercial, confidential in nature and that AIA retains the right to seek damages for their unauthorised disclosure</i>	
Contact person's Signature
